

*Dear Dancers.....*

Please join us at the most elegant competition venue in the USA . . . . .

## Viva! Las Vegas 2015

After the success of 2014 where could we go but up! The Encore at the Wynn sits at the heart of the Las Vegas strip and provides the perfect backdrop for this years' event.

Wynn resorts holds more Five Star Awards<sup>1</sup> than any other hotel company in the world. Award winning restaurants, exciting entertainment, amazing spas, elegant rooms and suites, and magnificent ballrooms are only the beginning! Most importantly Encore and World Promotions share the same commitment to making every visit a once-in a lifetime experience.

Viva Las Vegas 2015 will be much more than you expect or imagine. A dance event with the World Promotions difference. This weekend has something for everyone.

*Arrive Friday* and enjoy the resort – Acknowledged as the premier hotel in Las Vegas – You will need more than a day to which recently received the 6 Diamond award from AAA and has become the jewel of the strip. Use this evening to get acclimatized or, perhaps, enjoy a Vegas show – Showstoppers and La Reve from Cirque are right here in the resort.

*Saturday morning* (not too early!) we begin our Ballroom and Smooth competition with all levels Newcomer through Championship. The competition will be finished by 5pm allowing time to . . . .

enjoy the pool, roam the strip and still catch another fine dinner and Vegas show or perhaps join us for dancing on the town!

*Sunday morning* (not too early) the Rhythm and Latin categories –all levels Newcomer through Championship. *Sunday evening* we reconvene in the Ballroom for our Gala awards banquet and Professional show featuring Professional Champions in the World Promotions unique Gladiator style events which we began this year.

*Monday* –time to leave? Or - Why not stay an extra night – *at our great rates?* We can arrange private coaching lessons with our star studded judging panel – or for studios how about a private group class – just you and your students? Catch some pool time; then a monorail downtown for the Freemont street light show; dinner at Las Vegas' best kept secret restaurant downtown (just ask us!); then a cruise from downtown back to the Encore, stopping at the hotels to catch lounge entertainment Rat Pack style!

The BEST Accommodations in town, Gourmet Cuisine, Great Music, Lot's of opportunities to dance, Exciting Cabaret and a supportive crowd all help make Viva! Las Vegas a unique experience for ALL Dancers.

We hope to see you there!
